ANNOUNCEMENTS

Benefit Specialists will be available from 7:30 am to 12:00 pm CT on Wednesday, December 31, 2014. We will be closed on New Year's Day, and will be available from 7:30 am to 12:00 pm CT on Friday, January 2, 2015. On behalf of the ABC-C staff, we would like to wish you a safe and happy New Year!

Same-Sex Spouse Survivor Annuities: As a result of the 2013 Supreme Court ruling that the Defense of Marriage Act (DOMA) was unconstitutional, same-sex surviving spouses of deceased Federal employees may be eligible for survivor benefits. OPM is encouraging all same-sex spouses of deceased employees to apply and see if they are eligible for benefits even if OPM has already denied your application. Click **here** for more information.

PHASED RETIREMENT: OPM has issued the final regulations. Review the **Phased Retirement Fact Sheet** for additional information on phased retirement and the final ruling. Phased Retirement has been approved for the Federal workforce, but Army implementation is pending issuance to DoD and Army policy and operational guidance and as more information becomes available, it will be shared with the workforce.

Chronological Statement of Retirement Points: The Office of Personnel Management will not accept the Chronological Statement of Retirement Points, ARPC Form 249-E, or any other equivalent point's forms from other military branches, as proof of active duty military service. The ARPC Form 249-E, or any other equivalent points forms, does not provide the actual to and from active duty dates, type of discharge, i.e. honorable, other than honorable, etc., and lost time or type of active duty service completed.

CSRS/FERS Retirement Briefings: The Army Benefits Center - Civilian will host CSRS/FERS retirement briefings by Defense Connect on Line (DCO). Click **here** for more information.

Military Service Deposits: Military Service Deposits must be paid in full prior to the date of separation or retirement. Because processing time requires approximately 120 days, employees who are anticipating retirement should plan accordingly.

Change in Employment Status:
Return to pay status following loss of FEHB coverage because of 365 days in a leave without pay status (CFR 890.304(a)(1)(v)) or due to the termination of coverage during leave without pay (CFR 890.502 (b)(5)).
Reemployment after a break in service of more than 3 days.
Restoration to a civilian position after serving in the uniformed services under conditions that entitle you to benefits under part 353.
Change from a temporary appointment requiring you to pay the full FEHB premium with no government contribution, to an appointment entitling you to receive the government contribution.
Separation from Federal employment when you or your spouse is pregnant and you supply medical documentation of the pregnancy. (Note: Employee may enroll or change enrollment under this condition only during the final pay period. The effective date is the first pay period after the transaction is completed.)
A transfer from a post of duty within the United States to a post of duty outside the United States, or the reverse. (Note: Employee must enroll or change within the period beginning 31 days before leaving the old post of duty and ending 60 days after arriving at the new post of duty.)
A change, without a break in service or after a separation of 3 days or less, to part-time career employment, or a change from part-time career employment to full-time employment that entitles the employee to the full government contribution.

Agency News
The Thrift Savings Plan (TSP) has announced that their system will be able to accept Roth TSP contributions on May 7, 2012. Because implementation involves technical and programmatic modification of payroll systems, not all agencies will be ready to participate on that date. Defense finance officials said the Roth option will be available on a phased basis from June to October. The specific implementation date will be determined at a later time. For more information on TSP Roth, please visit the TSP website.

eRetirement
eRetirement is a retirement application tool that you can use to fill out, sign, and submit your application for retirement. To begin using the eRetirement tool you must be within 360 days of your first date of eligibility for a voluntary retirement. If you would like to fill out a disability retirement application you will need to contact your HR department. Once you begin using the eRetirement tool you will be walked through each section of the retirement application. The tool will make sure that you complete all of application's sections, as well as provide accurate information. Any information the system has on record will be automatically populated. You can take as much time as you need filling out your retirement application. All information entered into the eRetirement tool is saved automatically for you. When you have completed the application you will be able to sign and submit the application for processing.
Begin
To begin filling out your retirement application click the "Begin" button, to the left.
You can use the eRetirement feature in EBIS which will assist you in completing each retirement form.
When completed: Print, Sign and Mail your retirement Application to the Army Benefits Center Civilian at 301 Marshall Avenue, Fort Riley, Kansas 66442 for processing.
