Commander's Note #2

SUBJECT: National Veterans Golden Age Games

1. From 5-10 June 2019, Anchorage will host the National Veterans Golden Age Games. More than 25,000 community members are expected to attend this event, which is the only national, multi-event sports and recreational seniors' competition program for veterans. The games are designed to improve quality of life for older veterans, including those with a wide range of abilities and disabilities.

2. I authorize all DMVA members to participate in the 5 June community fun run, and volunteer from 6-10 June as alternate duty, as mission allows and at supervisory discretion. Potential volunteers should visit <https://www.blogs.va.gov/nvspse/national-veterans-golden-age-games/> to register. Please contact the Executive Officer, Lt Col Matthew Komatsu, at (907) 428-6012 or matthew.komatsu@alaska.gov with any questions.
